Co-packing:

We are not a co-packer; however, as an accommodation to our customers we have and will continue to offer such services as loading your product onto our strips, applying header labels, hang tabs, attaching s-hooks, bagging pre-loaded strips (if needed) and loading into cartons. Let us know what we can do for you and we will do it.

Shipping and Distribution:

Clip Strip can drop ship your order to one or to multiple locations. We will process the necessary paperwork for the first (4) locations at no additional charge. A charge of \$7.50 per location will be applied to the 5th location and beyond. Please bear in mind that these are order preparation and processing charges only, you will be responsible for the actual shipping costs charged by the shipping company (UPS, FedEx, etc.). We can also arrange for cost-effective LTL truck shipments either using our preferred, or your specified, carrier. There is a \$30 per pallet charge on all truck shipments.

We can ship to two locations or ship to two hundred locations. Again, let us help you as much or as little as you need. Customer satisfaction is our goal and exceptional service is how we earn it.
