## CLIP STRIP CORP.

### ABOUT US:

Clip Strip Corp. was founded in 1980 by Edward D. Spitaletta, our CEO & President, with the invention of the Clip Strip® Brand Merchandising Strip. This "Point of Purchase" merchandiser revolutionized how space was used at retail, creating an entire new category within the impulse sales arena. Clip Strip® Merchandisers have not only been a driving force increasing impulse sales globally, but moreover have been a benefit to cross-selling and new product introductions at retail as well.

Of course we didn't stop with the introduction of the Clip Strip® Merchandiser, we went on to develop hundreds of innovative products within the point of purchase merchandiser, sign holder, retail supply and retail display construction areas. Today, we have over 1,000 SKU's and counting, with plans to introduce new innovative products over the coming years.

We provide both Offline and Online purchasing options; either way you are sure to be satisfied. Our number one goal is providing you with products and an experience that exceeds your expectations.

## "CONTENT IS KING"

In a world with the above mantra, we're not about to be left in the dust. In fact, we decided to be leaders in this area of communications. The advent of abundant broadband and social media channels is not only dominating B2C consumer's time but a very fast growing number of B2B consumer's are using social media and immersing themselves in content before making business decisions.

**It is key not just to know what you are doing, but to make sure others do too! And today, awareness is built Online.**

**Only one medium to communicate wouldn't be sufficient, so we created multiple platforms in order to educate and help our customers succeed.**

**To provide education about our products we established [CSC University](#).**

**To educate, inform, and inspire our customers about "Merchandising" we created [POP Fuel](#).**

**In terms of Social Media, we are building strong communities on Facebook, Twitter and Linked-In. (with more channels to come in 2018 and beyond... stay tuned)**

## HOW TO'S, PRODUCT INFORMATION & VIDEO:

We have created "How-To's", which provide instructions about our products. These "How-To's" are available on our website. In addition, we have produced videos of many of our products, giving you a 360 degree view of the product. Look for our video icon on our website.

## STOCK ITEMS:

Most items are in stock. If you need a sample of a product or wish to place an order, you have several simple options: use our print catalog, visit us Online at [ClipStrip.com](http://ClipStrip.com) or call us at 1-800-4-CLIP-STRIP (1-800-425-4778).

## CUSTOM ITEMS:

Clip Strip Corp. has been producing custom POP displays for many years; however we never “advertised” this part of our business. Customers approach us with specific needs; then we go into action to develop and provide solutions.

In 2015, we announced this service to the trade and made it a more robust part of our organization. We understand that POP is far from “one size fits all”, thus we develop custom solutions. From slight adjustments to a stock gripper sign holder’s angle, or to advanced custom floor displays; we understand that all aspects of a display plays a key role in driving sales for both brands and retailers. You can find stock floor and counter top displays for almost any product; but when your looking to rise above, be noticed and get the sale, nothing compares to a custom display. **The bottom line, “Uniqueness Matters.”**

## THINKING BUDGET:

**The word “custom” sounds expensive, it need not be.** We give our customers optimal performance with the most efficient materials. If you need to remain at or below budget, we are the right vendor to consider.

## CAPABILITIES:

Our resources, knowledge and experience consists of but are not limited to Graphic/Concept Designers, AutoCAD and Design Software, Engineers, Die Cutting, Wire Forming, Metal Stamping, Extrusions, Fabrication, Injection Molding, Heat Folding/Sealing, Thermal/Vacuum Forming, Prototyping, Painting and Production.

Our custom services can be an adaptation of one of our current items, or an entirely different configuration. In addition, we can design a fully custom retail display or sign holder.

When looking for a custom solution, we welcome all inquiries.

Please call us at 1-800-4-CLIP-STRIP (1-800-425-4778) or email a description to [CustomDisplays@clipstrip.com](mailto:CustomDisplays@clipstrip.com).

## RESEARCH & DEVELOPMENT:

Our R & D department is always seeking new challenges and welcomes your inquiries and ideas. If we do not currently have a product that meets your needs, we draw upon our extensive experience in the POP industry to create a solution. Clip Strip Corp. uses state-of-the-art technology to design, develop and test new products.

Custom Projects are managed in conjunction with our Research and Development Department. During the entire process, from the initial inquiry, through prototyping and to on-site delivery, we will keep you updated with progress reports. Please remember that in order to achieve cost efficiencies on custom products, minimums may apply.

## OUR EXPERIENCE:

**We are not new to this trade;** as we have been servicing customers in this industry for almost 40 years. Our executive team has over 150 years of combined experience in the business of Point of Purchase, Merchandising, Marketing, Manufacturing, Branding, Designing, Printing, Importing and Retail Trade.

**Our customers can rely on our knowledge in the POP industry.** We have most likely come across similar scenarios that you may be experiencing, which enables us to understand your situation and the pressure you may be under. The solution is in getting the job done, which is principally a matter of experience, the proper attitude, and common sense. **Utilize our experience to your advantage. You can count on us.**

## PRODUCTION:

We manufacturer in USA facilities, have interest in various overseas operations and possess expertise with outside sourcing in North America, China, Europe and other areas overseas. We have a very long reach into all corners of the globe servicing customers of all sizes and finding solutions wherever they may be. Count on Clip Strip Corp. to be your go-to supplier for POP supplies, components, sign holders and display construction materials.

## CUSTOMER SERVICE IS THE KEY:

You have many choices with whom to engage in business. We hope that our commitment to "*Customer Service Excellence*", will help you decide to partner with us. Our founder and entire staff is very conscientious on "exceeding expectations"; a company standard.

**Helping to make our customers successful and their business lives easier is the key to our success.**

## WE WILL HELP YOU FIND THE RIGHT PRODUCT!

Our experienced, professional staff will listen to your needs, suggest products that best meet your requirements and arrange for on-time delivery. If you already know exactly what you need, we will make the order process as quick and efficient as possible.

When you are unclear or are choosing a product that we feel can be substituted for a more cost efficient version, we will suggest looking at another option. It is our job to provide you with the right product, and a cost effective solution. Saving you money while achieving your goal, is our definition of a successful business relationship.

## SAME DAY SHIPPING:

If you need to rush an order, count on Clip Strip Corp. to get it done! We were one of the early adopters in the POP trade to offer same day shipping on a majority of our products; and maintaining a state-of-the-art inventory management system keeps us "*ahead of the curve*" which allows us to ship most in-stock orders same day. We ask that you place your order by 3:00 pm EST (12:00pm for truck shipments). "Same Day Shipping" is by request only. If you need your job shipped "same day", let us know by 3:00 pm by phone **and** email to: [orders@clipstrip.com](mailto:orders@clipstrip.com).

**Give us a try and let's do business together!**

# Need Fulfillment & Kitting Services?

Not Sure How You Are Going To Get It All Done?

**We Provide Fulfillment, Bagging, Kitting, Co-Packing and Drop Shipping**

**OK, you have great products,** and retail orders are coming in. Some require loading on Clip Strip® Merchandising Strips; others perhaps need a fully loaded corrugated floor display, with your products on display hooks and placed into shipping cartons for distribution.

Maybe you're not sure of the best route to take in order to accomplish the required kitting and fulfillment work.

You may be getting your Clip Strip® Merchandisers or Hang Tabs from us, but don't know how to efficiently attach the hang tabs to your package, or the fastest way to load the strips and have them ready to ship to the stores - packed and labeled accordingly.

**RELAX...** we do this all day for companies large and small. We not only provide Merchandising products like Clip Strip® Hang Tabs, Display Hooks and Printed Labels, we can also help you use them to make your products "retail-ready".

## **We Provide These Services:**

- Loading Product onto Clip Strip® Merchandisers, adding S-hooks and placing into cartons
- Attach Hang Tabs onto your Product Packaging • Attaching Peel and Stick printed labels on Strips or on our Label Holders
- Loading Corrugated Power Panels and Floor Displays with Hooks and/or Product • Adding Product Stops to your Display Hooks
- Insert instructions and brochures if needed • Bag it all as you request, label the bags, boxes and place it all into Master Cartons.
- Any additional labeling and paperwork, as required • Ship to your location, DC's or anywhere you require.

To complete our fulfillment and kitting questions, go to...

# Clip Strip® Brand Merchandising Strips

## We Invented the Clip Strip® Merchandising Strip

Edward D. Spitaletta, Inventor of the Clip Strip® Brand Merchandising Strip

Circa 1975

**Clip Strip® Brand Merchandising Strips**, also known generically in the Point of Purchase and Store Fixtures business as Display Strips / Hang Strips / Merchandising Strips / Hook Strips and Impulse Strips, were invented in 1980 by our founder Edward D. Spitaletta.

**The idea behind the invention** was to find new ways to merchandise products at retail and ultimately increase sales, including valuable "impulse sales." Merchandising display strips are designed to hang off shelves, price channels, gondola units, adhere to walls with tape, on poles, and display racks - all the while using zero floor space. Clip Strip® Merchandisers turned wasted space into high profit areas; this was a store manager's dream.

**Today Clip Strip Corp. has evolved the invention** into a full line of strip merchandisers, made of plastic and metal with hook mounting; and now with adhesive mounting, with our innovation of the "Sticky Strip™ Brand Merchandising Strip".

**Clip Strip Corp. has a large selection of merchandising strip styles** to choose from. We will help you match the right display strips with your product. Choose from plastic or metal strips; all shapes and all sizes; with hooks, clips or adhesives.

**Nobody else can claim they manufacture "Clip Strip® Brand Products"**, so if you want to be confident in the quality you need, make sure your merchandising strips are from Clip Strip Corp.

Please visit our website, [ClipStrip.com](http://www.clipstrip.com), to view a brief video about the origins of the Clip Strip® Merchandising Strip and how the idea was born and developed, it's impact on retail merchandising and the man and company behind it all.

**Sticky Strip™ Merchandising Strips, "The Invisible Strip"** is available with 12-positions for smaller packages and 6-positions for larger packages, in two different widths: 1.375" for heavier packages and 1" for standard weight items.

**Easy to load - just apply pressure to attach.** If a customer changes their mind, product can be easily reattached, (encourages customer and store personnel to keep display neat). The crystal-clear strip (and adhesive) never competes with product. Makes for a great in-store presentation.

**Keep in Mind:** If our stock Sticky Strip™ Merchandisers aren't the right fit for you, contact us to discuss moving the mounting positions, changing the adhesive strength and/or, in some cases when it may be possible, using different plastic thickness. Custom strips may require minimum quantities. Not recommended for LDPE bags and paper/card stock packaging.

*Need us to load your strips with your product, attach an S-Hook, box them up and ship to the end user? **Contact us today about our Kitting and Fulfillment services.***

Please store the strips in sealed boxes, leaving the adhesive unexposed with the paper liner attached, and out of direct light. We recommend storage of our adhesive based display strips in a temperature environment of 59° to 82° Fahrenheit (15° - 28° Celsius) with humidity between 20% - 60%. In perfect conditions, shelf life has exceeded 4 to 5 years, but as a general rule, we recommend using them within 2 years from purchase date.

# Sticky Strips

## We're On A Roll

**"Sticky Strips on a Roll"** is an affordable, effective **NEW** Merchandising Strip that gives Brands and Retailers many options!

**Clip Strip Corp. has done it again!** Seeing a need in certain markets for a lower cost and more versatile version of the popular "Sticky Strip™" line of merchandising strips, Clip Strip Corp. has responded with **Sticky Strip™ on Rolls**.

Regular Sticky Strip™ Merchandisers do not have traditional mounting hooks, instead they have periodic adhesive stripes or mounting spots and packages are attached by applying pressure – **the perfect solution for packaging without hang holes**. Because many of the snack food and candy packages have no hang holes, these strips are **quickly becoming the industry standard** for merchandise weighing between the 3 to 10 oz. range. The new SS-ROLL Sticky Strip™, the first to come out on a roll, works well for packaging 3 oz. or less and **provides unparalleled versatility** because it can be cut to any desired length.

This **Sticky Strip™ On-A-Roll** can be a 4, 6, 8, 12, or 15-position strip; it's all up to you. Today, there are virtually no limits on what can be done with strip merchandising.

Includes 250 hang tabs, (our ET-64 hang tab) per roll.

## The Econo Double Sided Peg Hook Display Strip System

The **Econo Double Sided Peg Hook Display Strip System** is an excellent way to display your products off gondola shelving and build sales in-store. Multiple hook positions accommodate packages of different sizes. Different length **Econo Peg Hooks** are available.

The **Econo Strip Hangers** support the **Econo Peg Hook Display Strips**, and they attach to the gondola shelving and suspend the strips into the aisle, drawing the consumer's attention. The strip accepts the **Econo Hooks** from both sides - making your merchandise visible going up or down the aisle. Quality construction of off-white styrene material assures strength and durability.

### Gondola Shelf Top Hook Strip Hanger

# How To Correctly Hand-Apply Hang Tabs

- 1. A CLEAN SURFACE AREA.** When affixing a hang tab, ensure the product packaging is clean and moisture free.
- 2. ROOM CONDITIONS ARE A FACTOR.** Apply hang tabs in rooms that are not only clean but where the temperature is between 60°- 90°F (15°- 32° C).
- 3. AVOID TOUCHING THE ADHESIVE AREA.** The human body contains oils and other contaminants that can weaken the adhesive and cause the hang tab to weaken its grip on your packaging. Make sure the adhesive comes into contact with the target area only.
- 4. QUICK APPLICATION.** Try to apply the hang tab as soon as you peel it off the backer, and apply it with pressure to get maximum bonding power. This pressure will activate the adhesive.
- 5. TIMING ON FINAL USAGE.** Whenever possible, give 1 to 2 days for maximum bonding to occur before use on a retail display. This time frame creates the optimal bond which is 2 to 3 times stronger than the initial bond.
- 6. THINK ABOUT A BALANCED PRESENTATION.** More often than not, a balanced, straight-hanging package makes the best product merchandising presentation. So, when placing the hang tab on your product packaging, make sure to place it where the weight is equally distributed on either side of it. On a symmetrical package, that would be dead center. This will ensure the package hangs even on the peg hook or clip strip. Sometimes the hang tab has to be off-center in order for the package to hang evenly. Test one until you find the right balance.

## The Econo Double Sided Peg Hook Display Strip System

The **Econo Double Sided Peg Hook Display Strip System** is an excellent way to display your products off gondola shelving and build sales in-store. Multiple hook positions accommodate packages of different sizes. Different length **Econo Peg Hooks** are available.

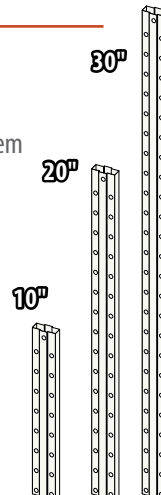

The **Econo Strip Hangers** support the **Econo Peg Hook Display Strips**, and they attach to the gondola shelving and suspend the strips into the aisle, drawing the consumer's attention. The strip accepts the **Econo Hooks** from both sides - making your merchandise visible going up or down the aisle. Quality construction of off-white, styrene material assures strength and durability. **For additional information about this system, see page 28.**

# The Gondola Sign Topper Boot System™

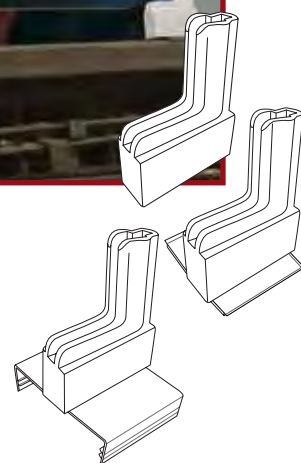

Sign Channels

**The flexible, easy to use, Boot Signage System!** The "Boot" base holds upright signage channels that grip your sign. You can choose from two types of signage channels, with heights of: 12" or 18".

**Make your signs any length** and attach them securely and easily to any flat surface. Create product categories with signs that span the width of your steel fixture.

**Can also be used to create Aisle Violators / Flag Position signs on fixture uprights.**

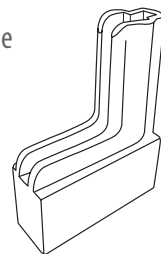

Magnetic, Adhesive or Clip-On Base Sign Holders

Available in Black &amp; White

## BSM-8507 • Boot System™ Magnetic Base Sign Holder

POP Seminar Series

## Retailers Love Brands That Use Headers On Strips!

As we all know too well, Retail Environments are ultra competitive; you want to **STAND OUT** whenever you can.

By **BRANDING** on top of your Clip Strip® Merchandisers you will be more likely to **GET THE SALE** over your competition.

The difference in cost is not significant and is made up for in terms of the sales made and also the speed of your sales off the Strips!

Did you know Clip Strip Corp. can print your Header Labels (at a terrific price), and if needed, apply the labels as well.

# LITERATURE HOLDERS

**Printed brochures, sell sheets, tri-folds, etc. are an important part of your marketing;** and our literature and brochure holders are a great way to display your message and distribute it to your target audience.

Clip Strip Corp. carries clear PVC, Acrylic and Molded Styrene displays and outdoor versions, designed for a variety of needs; from a simple free-standing counter flyer display to a literature basket for a floor signage holder.

**Need printing for what you place in these literature holders,** ask Clip Strip Corp. for a free quote. We have a full service POP printing division to help meet your printing needs!

## Protect Your Floors From Damage Caused By Wooden Pallets!

**WOULD YOU LIKE TO PROTECT YOUR FLOORS? OF COURSE YOU DO.** Pallets become damaged with wood splinters, protruding nails and bleeding paint. This causes damage to your floors. Our Pallet Floor Protector (PFP-3), protects your floors, saving you time and money.

**THERE IS NO COST TO YOU, THE RETAILER. HERES HOW:** The PFP-3 is a low cost solution you mandate to all your suppliers. The investment for your vendors is only \$1.72 to \$2.15 per pallet, depending on the size of the pallet. In addition, installation is very quick and simple. Not a lot to ask from your vendors; after all their pallets are damaging your floors.

**HOW DOES IT WORK?** Your vendor adds 4 or 5 Pallet Floor Protectors (PFP-3) to the bottom of a wood pallet before it is used, raising the pallet 0.35" off the floor. This creates a much safer and less destructive pallet.

**ADDITIONAL BENEFITS:** Due to it's unique design and material, the PFP-3 also allows for pallets to be slightly shifted on the floor without the use of pallet jacks and without scratching your floors.

# TERMS & CONDITIONS

Clip Strip Corp. (CSC)

**All Orders:** Orders for in-stock items will ship within 24 to 48 hours; however, orders received after 3PM (Eastern Standard Time) will have a "next business day" processing start time. Clip Strip Corp. may fulfill an order by shipping from multiple warehouse locations, depending on the products ordered. **If orders are needed faster, please call us and we will do our very best to accommodate.**

**Phone Orders:** Our toll free number is 1-800-425-4778. An original purchase order or letter of confirmation must follow all phone orders. In order to avoid duplicate orders, please mark your confirmation "Do Not Duplicate". Our friendly staff is available to take your order or answer any questions you may have Monday through Friday from 8:30 AM until 6:00 PM EST.

**Faxed Orders:** Our fax number is 201-342-1438. Faxing an order assures prompt, fast turnaround service. Faxed orders can be sent 24 hours a day. To confirm receipt of your fax, please call our toll free number the next business day. You can use our order form on page 175.

**Mail Orders:** Send your orders to: **Clip Strip Corp., 343 South River Street, Hackensack, NJ 07601.**

**Online Orders:** Please visit our web site at [www.clipstrip.com](http://www.clipstrip.com) to place your online orders. You will receive the same efficient and prompt service.

**Email Orders:** You can place your orders via Email at the following address: [orders@clipstrip.com](mailto:orders@clipstrip.com).

**Minimum Orders:** Due to the high cost of producing small orders, our policy for all orders under \$100.00 has a small order charge of \$10.00 for domestic orders and \$25.00 for international orders. Small orders are accepted only on a pre-paid basis, by credit card, cashier's check or money order. Returns of orders under \$100.00 cannot be accepted.

**Out of Stock & Back-orders:** Despite our best efforts, Clip Strip may not always have sufficient stock on an item to fill your order. If that is the case, we will contact you (via email, phone or both) and inform you of how many units are available for immediate shipment, and approximately how long it would take to ship the remainder. You must then let us know whether you would prefer to accept an initial, partial shipment, with the backorder to follow as soon as the goods are available or wait until we can ship the order complete. We will not process the order until we receive a response. Please keep in mind that depending on circumstances, higher shipping costs may be incurred on split order shipments.

**Clearance Center Items:** **Sale of all items in this category are final.** Returns will not be accepted. All the products have been reviewed, found to be of good quality and suitable for their intended purpose. If you wish, you may request a free sample prior to placing your order.

**Payment Terms:** Our terms are Net 30 days upon credit approval. Invoices past 30 days are subject to a finance charge of 1.5% per month (annual percentage rate 18%). We accept Visa, MasterCard, American Express, Discover and Wire Transfer. All international orders must be prepaid via credit card or wire transfer. Returned checks are subject to a \$50.00 returned check fee. Credit card orders are subject to two charges, one for merchandise at time of order and another for shipping charges at time of shipment.

**Freight Terms:** All orders are shipped F.O.B. our Factory. Freight charges are pre-paid and added to the invoice accordingly. Handling charges are included in the shipping cost.

**Drop Shipments:** A drop shipment charge of \$7.50 per location will be added to all orders shipping to more than 4 locations.

**Shipping & Handling:** We charge a \$2.00 per box handling fee on all domestic orders and \$3.00 per box for international shipments. For truck shipments, we charge a \$25.00 per skid handling fee. The customer will be responsible for any and all costs arising from incorrect and/or incomplete shipping account or destination information. These costs include, but are not limited to charges for erroneous deliveries, invalid customer provided shipping account numbers, storage fees and any other extra or additional costs or expenses.

# TERMS & CONDITIONS

Clip Strip Corp. (CSC)

**Claims:** Once the merchandise is tendered to the carrier it becomes the property of the recipient and the recipient assumes all risk for lost or damaged product. Please check shipments carefully and sign for the proper amount of cartons or pallets. Any damaged cartons must be recorded on the bill of lading and a claim made directly to the carrier. Customer must inspect all shipments within 10 days of receipt. Failure to notify us of defects or shortages within 10 days of receipt shall constitute acceptance of shipment.

**Return Policy:** Returns are accepted on stock items only within 30 days of shipment. All returns must be pre-approved by CSC and require a return authorization number. Returns must be shipped freight prepaid in the original, unopened cartons clearly marked with the return authorization number provided. Unauthorized returns will not be accepted and no credit will be issued. All returned merchandise is subject to a 25% restocking fee which will be deducted from any credit issued. Customer is responsible for all freight charges incurred from original shipment. **Returns will not be accepted on custom orders, small orders, clearance items, special projects, non-stock items, special packed and kitting orders.**

**New Accounts:** To establish credit, please fill out the credit application on page 176 or provide us with the following information: 1 bank reference and 3 current supplier references. We require contact name, phone and fax numbers of all references supplied. References are promptly processed. Please allow on average 3-5 business days for processing, and possibly longer depending upon the response time of your references. Customers applying for credit acknowledge and agree to all published terms and conditions of CSC and agree to proper payment in consideration of extended credit. To download a credit application: [clipstrip.com/creditapp](http://clipstrip.com/creditapp)

**Custom Orders:** Custom orders are subject to minimum quantity requirements. A 40% deposit is required with written purchase order for all custom orders. All custom orders are non-returnable or refundable.

**Samples:** Most samples are shipped free of charge, in reasonable quantities and dollar amounts, and are usually shipped within 48-72 business hours, Monday through Friday. Sample Requests received after 2PM (Eastern Standard Time) will have a "next business day" processing start time. **If you need the samples faster please call us and we will do our very best to accommodate.** Sample orders are shipped via standard US Postal Service, in the USA and Canada. Requests for express or expedited shipping of sample orders, or international sample orders must be pre-requested and prepaid by the customer or shipped collect on their shipper's account. Standard USPS delivery times are not guaranteed and can vary from as little as 1 day to 7 days plus, based on multiple factors. Clip Strip Corp. reserves the right to limit quantities or dollar values of free products. Please keep in mind, "Free" samples are not available for every product in our offering.

**Bagging and Fulfillment Charges:** Please call for pricing.

**Liability:** Purchaser must determine if Clip Strip Corp. products are suitable for the use the purchaser intends. Clip Strip Corp. does not accept responsibility for improper use or application of its products. No warranty is made or implied by Clip Strip Corp. Purchaser or user assumes all risk and liability in connection with the use of Clip Strip Corp. products and any loss or damage resulting out of their use.

**Email Policy:** By providing an email address, requesting free samples, or ordering products from Clip Strip Corp. you are granting permission for Clip Strip Corp. to add your email address to our in-house newsletter list, which may result in periodic notices of special offerings, discounts and other company information. Clip Strip Corp. does not share our customer data/information, including email addresses, with any third party organizations.
